

Mr. Bambang Prijono

CEO of PT. Wahana Inti Selaras (Volvo Buses)

VOLVO BUS

DRIVING QUALITY OF LIFE TO EMBRACE THE NEW NORMAL

VOLVO CORE VALUES

Volvo Buses

Volvo Group is dedicated to making sure that its machines and services coincide with three longstanding principles as its core values that guide the whole organization in every thing they do: **Quality, Safety and Environmental Care.**

Quality

Safety

Environment

Volvo is the world's symbol of safety

"Cars are driven by people. Therefore the guiding principle behind everything we make at Volvo is - and must remain - safety"

*(Assar Gabrielsson and Gustaf Larson –
Founder of Volvo Group)*

3-point seat belt first invented in 1959 by Nils Bohlin, Volvo's engineer

Safety always comes first at Volvo Buses. It's a core value and has been our guiding star since 1927. Today, 93 years later, Volvo stands by this with a vision: **zero accidents** with Volvo Group products.

Volvo bus innovations towards “zero accident”

1951

Compressed air brakes, power steering

1959

Volvo's engineer invented 3-point seat belt

1983

Anti Blocking System (ABS)

2000

Child booster cushion
Electronic Braking System (EBS) with disc brakes

2001

R66 full roll-over test of 3-point seat belts

2004

Electronic Stability Program (ESP)

2005

Front Impact Protection System (FIPS)

2007

Front Underrun Protection System (FUPS)
Knee Impact Protection System (KIPS)

2015

Forward Collision Warning (FCW)
Collision Warning and Emergency Brake (CWEB)
Lane Keeping Support (LKS)
Adaptive Cruise Control (ACC)
Volvo Dynamic Steering (VDS)

2016

All around view on coaches

2017

Enhanced Front Impact protection (FIP) on coaches
Enhanced roll over safety on coaches and intercity buses

2018

Volvo Dynamic Steering (VDS) on city and intercity buses
Driver Alert System (DAS) on coaches
Improved field of vision on coaches

KEY STRATEGIES & INITIATIVES DURING PANDEMIC TIMES

PRODUCTS

Technology development that will help bus operators to have sustainable transport solution.

Optimize Total Cost of Ownership (TCO) through energy-efficient technologies such as: hybrid bus and electro-mobility solutions

CKD plan to make VB more affordable and help boost local economy

CUSTOMERS

Support customers to reduce operating cost during pandemic (parts campaigns, etc.)

Financial terms support

Keep provide 24/7 online & onsite support to customers despite the constraint during pandemic

Webinars to give updates, sharing knowledge

EMPLOYEE

Implement stringent health protocols and comply to government's guidelines

Conduct regular Covid-19 test for employees

Provide affected employees with all necessary supports

SOCIETY

Indomobil Group consistently help society through its CSR programs, giving humanitarian assistance to combat pandemic, helping disaster victims, etc
