# **JETBUS TRANSIT**

## **MONOCOQUE MEDIUM LOW DECK**

Great Innovation  
With Performance Excellence

# DESCRIPTION

Jetbus Transit is a medium bus concept with monocoque body. Because using no chassis, the cabin room capacity can be maximized. Jetbus Transit is the first low deck medium bus in Indonesia.

This monocoque body can be applied for buses with diesel or electric engine.

# DESCRIPTION

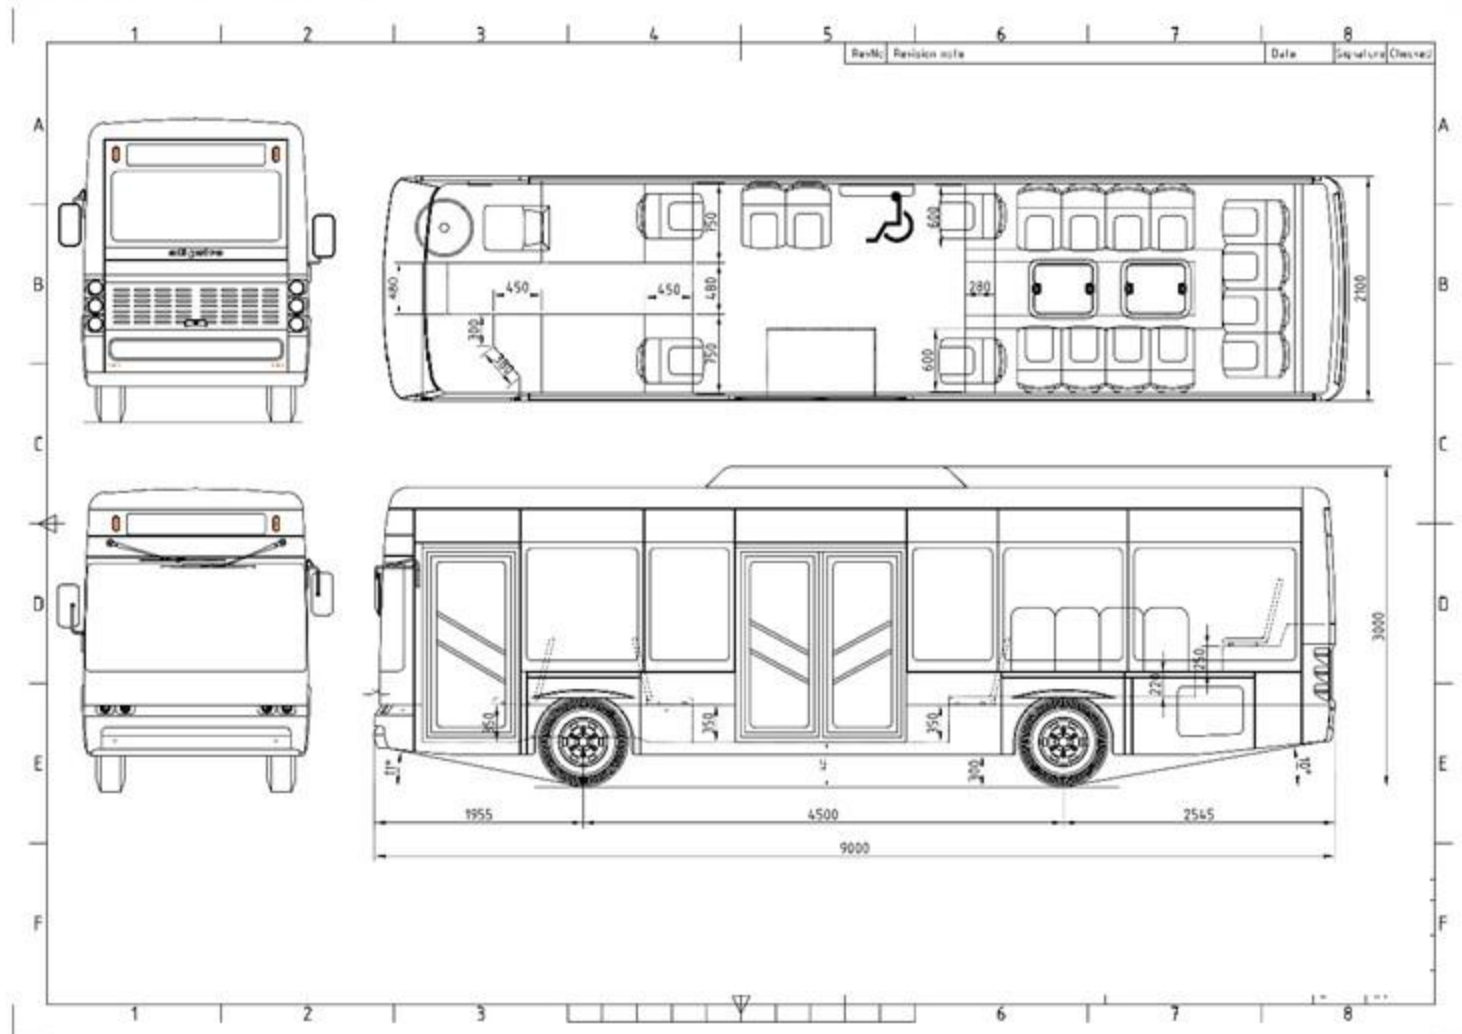

We build a medium bus for accommodate passenger because not all roads in Indonesia can be accessed by big buses.

Besides, Jetbus Transit is friendly for people with disabilities. Not just easy to access, there is some enough room for wheel chair.
